

New pastor for parish

LINCOLN ESTATES — St. Anthony Church which had its humble beginning here 25 years ago in a box car as a mission in St. Mary parish, is now a parish in its own right.

St. Anthony also has a new pastor, the Rev. James Frederick, a former instructor at Quigley School in Chicago, and just recently was pastor of St. Patrick church at Wilton Center.

Father Miles Kowski, OFM an assistant pastor at St. Mary Church, Mokena, served St. Anthony mission as its pastor for the past five years, and at the same time had his duties to St. Mary.

On Feb. 6 the people of St. Anthony held

a farewell open-house for Father Miles to show their appreciation for his service. Some 300 persons attended the affair. Father Miles has been transferred by his order to Stateville Penitentiary as assistant chaplain.

The Joliet Diocese has purchased the former Davidson home on 79th Street and completely furnished it to serve Father Frederick as a rectory. His mother will serve as his housekeeper at no cost to the parish.

Father Frederick will receive half his salary from the diocese and half from the parish.

He holds a master's degree in mathematics from Loyola University and a master's degree in religious education from St. Thomas Seminary, Denver. Father Frederick also has done post-graduate work at Illinois Institute of Technology. He has served as chaplain for District 5, Illinois State Police, and is comptroller of the School Systems of the Diocese of Joliet, a position he will continue to fill.

With the rapidly increasing population in the area and with St. Anthony's having attained parish status and has its own pastor, two masses will be added to the weekly schedule, it was announced. The new schedule will include Saturday night masses at 5 o'clock and 6:45. On Sundays there will be masses at 9 and 11 a.m. and 12:15 p.m.

Father Frederick also announced there will be daily masses at 9 a.m. On the day preceding a Holy Day there will be a mass at 7 p.m. and on Holy Day at 7 a.m. Confessions will be heard before the two Saturday evening masses.

Father Frederick will be assisted week-ends by the Rev. Richard Best of the Religious Education Office of the Archdiocese of Chicago.

County council hears expert on civic affairs

FRANKFORT — The village board was host to the Will-Grundy County Council of Municipalities last Thursday night in the Veterans Memorial Building. The meeting was well attended despite the cold, strong winds and snow.

Rabbi M.M. Hershman, of Joliet, who has had long experience in civic affairs, was the featured speaker. He dwelt on the responsibility of keeping America great, pointing out it was a job that should be everybody's business. It was that way in the beginning, he said, and it is time now for greater cooperative effort.

There was an added speaker in the person of R.W. Coakley, manager of commuter services for the Chicago and North Western Railway Co., which is having a battle now with the City of Chicago about extension of the Chicago Transit Authority extending a line to O'Hare Field.

Coakley is soliciting support of a bill in the Illinois assembly to create the Chicago Metropolitan Area Transportation System Act.

He said Chicago was getting all the funds now which would benefit transportation in general and that it will continue to get all the money unless this CMATS gets going.

The mayor of Morris, John Henricksen, said he was not in favor of Grundy County's share of the state motor fuel tax being tapped to aid the transportation program. Coakley told him Grundy County was safe, that it was only the counties of Will, Cook, DuPage, Lake and McHenry that would be affected by such diversion.

This CMATS would also have authority to issue revenue bonds to improve transportation systems with the state guaranteeing the bond payments.

The May meeting of the municipalities group will be at Bolingbrook. Kenneth Koenig, council president and mayor of Park Forest South, said nine municipalities have responded to the questionnaire on dollar sharing. Thirty questionnaires were sent out.

Koenig said that seven communities expressed interest in making joint purchases through the State of Illinois for supplies and materials; four displayed interest in purchasing through civil defense sources; one in health programs; four in a clearing house on wage contracts, water and sewer rates and tap-on fees; three in shared use of equipment; and four in a newsletter to be issued quarterly.

Sitting at the speakers' table at the annual Blue and Gold Banquet of Cub Pack 270 (from left) are the Rev. and Mrs. Eugene Bonham; Gary Smith, a goalie for the Chicago Blackhawks, principal speaker; Cubmaster Ronald Ball, and Scoutmaster Lee Gehrke and Mrs. Gehrke, who is active in Girl Scout work. The banquet was served in the dining hall of the Frankfort Methodist Church last Thursday night.

Cub Scouts receive awards at banquet

FRANKFORT — John Wohlfert, son of Mr. and Mrs. Ray D. Wohlfert, Connecticut Hills, was awarded the Scout of the Year trophy at the annual Blue and Gold banquet of Cub Scout Pack 270 of Frankfort last Thursday night.

Runner-up was John Mondragon of Webster 11. He is the son of Mr. and Mrs. Marcus Mondragon. The mothers of the two boys received blue and gold corsages.

Other nominees for the honor were Mark Sauerbier, Ronald Ball, Greg De-

lort, Robert Flassig, Kendall Reed and James Eisenbrandt. All received scout tie bars.

The banquet was served in the dining room of the United Methodist Church. Welcome was given by Ronald Ball, cubmaster. All den mothers, their assistants and committee members were presented red, white and blue corsages by their sons.

The invocation was given by the Rev. Eugene Bonham, pastor of the church, who was also one of the speakers.

The Bell Ringers group of St. John's Church, Mokena, provided entertainment.

The celebrity guest was Gary Smith, a goalie for the Chicago Blackhawks hockey team. He talked about his experiences as a hockey player and demonstrated and explained the equipment a goalie wears to preserve life and limb. He answered questions from the audience and at the close of the affair signed autographs and talked individually with the boys.

Den leaders and committee members

were presented certificates and gifts and special recognition was given Mr. and Mrs. Ray Filipo, retiring assistant cubmaster and den leader. Cubmaster Ball was presented with a set of engraved cuff links and tie bar.

One of the highlights of the evening was the reading by Mr. and Mrs. George Swanberg, "What is a Den Mother and What is a Boy."

Letters detail water services in village

NEW LENOX — Letters explaining the set-up of the new central water system which should be completed by summer have been sent out by the village board of New Lenox over the signature of Mayor Joseph Hartung.

Accompanying the letter is an application form which residents may sign and

return to the village hall — if they have not already done so — to insure their connection to the water system at the present bargain deposit of \$10 for a tap-on. This brings the water to his property line. The cost of bringing the water service into the building to be served is paid by the owner. The application is to be ac-

companied by a \$10 payment and the owner also agrees to pay an additional \$40 to the village when a meter is provided, if the property involved is used for residential purposes. Commercial and industrial and multi-family properties carry different rates.

A single family dwelling, can be served with a three-quarter inch pipe but when more service is required it takes larger pipes and larger meters.

The signer of the application agrees to pay the "rates, fees and charges as prescribed and set forth in the applicable ordinance of the village as they exist and may, from time to time, be amended."

Each application is given an account number which remains unchanged, regardless of how many times the property may change hands.

The meters will be the type that can be read from outside a building. When the service is available each property connected with the water system will be billed regularly and the owner must pay whether he is using water or not. An example would be a water service that has been brought to a vacant lot. The owner must still pay the minimum rate.

If people don't want to hook on to the water system now they may connect at a later date — but at a much higher cost.

Those that tap-on late will have to pay a tap-on fee of \$250, plus the expense incurred by tapping the main, road crossing, material, labor etc.

It is estimated, that the minimum monthly rate would be \$6.90.

The schedule of rates outlined in the

letter follows:

For first 18,000 gallons used per quarter . . \$1.15 per 1000 gal.

For next 30,000 gallons used per quarter . . .80 per 1000 gal.

For the next 30,000 used per quarter . .70 per 1000 gal.

Chamber to hold year's first meeting Thursday

FRANKFORT — The first meeting of the Frankfort Chamber of Commerce for 1972 is to be held tomorrow night (Thursday) at the Wagon Wheel restaurant.

A chicken and beef buffet dinner is to be served at 6:30, with the business session starting an hour later. Herman Fabiani, the new C of C president, who runs things for the Brummer Division of Borg-Warner at Frankfort, has sent letters to all the members and prospective members, inviting them to the meeting.

He said that suggestions on "where and

what the chamber should be concentrating its efforts" would be most welcome. He also said that he and his fellow officers would endeavor to keep the members informed as to all plans and programs. This would be done by telephone follow-up to letters and bulletins, and if need be by personal contact.

With the letter sent out to the membership last week a form was attached on which the recipients could make reservations for tomorrow night's dinner. The price of the dinner is \$5.80 per person.

Story incorrect, builders charge

MOKENA — Mark Mueller, who with Richard Sippel, has plans for an apartment building for the site formerly occupied by the Mall Lumber Co. on McGovney Street, said this week that the story appearing in last week's paper to the effect that their attorneys did not appear before the plan commission at its last meeting so no action was taken was incorrect.

Mueller said that the commission knew beforehand that the attorneys would not appear until a future meeting.

At a village zoning board meeting Mrs. Mall's petition for R-5 classification for the property which would permit high density apartments was denied.

Nine seeking office in homeowners group

WESTHAVEN — Nine candidates running for officer's positions in the Westhaven Homeowners Association were introduced at the monthly meeting Wednesday, Feb. 16, held at the Fernway School.

Seeking the office of association president are Ray Westberg, 15932 S. Haven Ave., and Len Baumann, 16810 South 92nd Ave.

Three residents are seeking the office of vice-president, Jerry Mahalek, 16171 South Haven Ave.; Tom Mulkahey, 16161 South Haven Ave., and Bob Paterson, 16726 South Hilltop Ave.

For recording secretary, Carol Marshall, 15956 South Haven Ave.

Corresponding secretary Carol Downie, 16810 South 90th Ave.

Running for the office of treasurer of the association are Rich McIntire, 16825 South 93rd Ave., and Becky Dodaro, 16155 South Haven Ave.

Election of officers will take place at the March meeting. Plans are being made to hold a special meeting prior to the March election so association member's can meet all the candidates.

The Election Committee reported that the ballots are made up and will be printed in about one week.

Judy Snyder, treasurer of the association, announced that anyone wishing to write a rebuttal to The Observer, the unsigned flyer distributed last week to some

of the new residents of Westhaven, they should contact her. Rebuttals will be printed in The Chatter, the monthly newspaper distributed by the Homeowners Association.

Treasurer's report for February reflected a balance on hand of \$504.22.

Warren Arnold of the Athletic Committee reported that the committee has acquired the Orland Center School Gym, two nights, Wednesday and Friday, from 6:30 to 8:30 for basketball. Previously the gym was available for basketball on Wednesday nights only. The boys will be divided into specific age groups for the two night sessions.

Mrs. Ray Westberg discussed plans for the Athletic Committee sponsoring a candlelight bowling and dinner party to raise funds for sports equipment. The affair will be held at Oak Forest Bowl, 15240 South Cicero Ave. Tickets will be \$10.00 per couple. A special notice will be distributed throughout the village announcing the date, and ticket purchase information.

A committee to study and evaluate all remaining by-laws to be enacted by the association was formed. After the evaluation is made the committee will present the complete by-laws to the association membership for a vote.

Those serving on the committee are Rich McIntire, George Baumann Tom Mulkahey and Ray Westberg.

Auto show opens February 26

CHICAGO — New automobiles representing every American manufacturer, plus those from major overseas firms will be moving into McCormick Place during the next few days for what is expected to be the largest and most complete auto exposition ever presented.

This is always the big one in auto shows and officials of the Chicago Automobile Trade Association, (CATA) sponsors of the annual event, have gone on record as saying that this nine-day show opening Saturday, Feb. 26th will top everything ever staged in this country. Clarence W. Marquardt, Jr., president of the CATA, reports:

"This is Chicago's finest opportunity to see all the cars and have a good time while doing so. There will be a number of new models, both domestic and imports, being shown publicly for the first time. Even if you are not interested in buying a car right now, there's plenty to see and do for an entertaining afternoon or evening for everyone."

"Almost every exhibit area will have an animated exhibit or an entertainment feature such as comedians, magicians or ventriloquists. And, a number of special displays, including a full scale mock-up of the Lunar Rover, the famous "Moon Buggy," and arrays of antique and racing cars will offer exciting variety."

Lee Klinger, chairman of the executive show committee, anticipates a smooth move-in of the some 550 vehicles and many auto-related exhibits. Pointing out that last year's show, the first in the new McCormick Place, was somewhat of a test run.

"This is a gigantic undertaking. Hund-

reds of carpenters, electricians, set designers and general construction and moving personnel will be working around the clock in order to have the big show ready for the opening bell. However, this building is ideal for a show of this magnitude and we are confident that everything will be ready for the opening."

The "Moon Buggy," the full scale mock-up of the exciting vehicle which carried the astronauts on a moon tour last July, is expected to arrive from NASA headquarters on Wednesday.

Another special attraction will be the General Motors Experimental Safety Vehicle, built to the Department of Transportation specifications. Along with the Lunar Rover, it will be on display during the entire show period, from 11 a.m. to 11 p.m. through Sunday, March 5th.

Admission is \$1.50 for adults and 75 cents for children 12 and under.

Orland WSCS hears women's lib program

ORLAND PARK — "You've Come a Long Way, Lady — Where Do You Go From Here?" was the name of a women's liberation program presented to members of the Women's Society of Christian Service from the Orland Park Methodist Church last Thursday.

Mrs. Bruce Maki, wife of the pastor of All Saints Lutheran Church in Orland Park, used slides and music to depict the role of women from Biblical times to the present. Family snapshots, book illustrations and magazine advertising were used with her original narration and tape-recorded music.

The first part of the presentation showed women's place in history, from ancient times to the suffragette movement. The second part of the program illustrated the modern day situation between the sexes and the stereotyping of males and females.

Mrs. Maki said that from childhood males are supposed to be stronger. They are expected to grow up as the "breadwinner" while "the little girl stays sweet and clean" and grows into a submissive housewife and mother. Advertising reinforces these stereotypes.

Hostilities can develop between a man and woman when they do not think of each other as individuals, but put one another in their stereotyped roles, said Mrs. Maki. She said that men and women should be classified according to their individual actions and capabilities.

Mrs. Maki suggested that by accepting the feminist movement, women can become more aware of their own needs and abilities. They would then be more confident in making a choice or pursuing a goal.

A questionnaire on the woman's place in society was passed to each person in the audience. Sample true-false questions were: "The median earnings of women are two-thirds that of men" (true) and "The percentage of women awarded masters and doctors degrees has doubled since 1920." (False, it has dropped.)

Nineteen "opinion" statements were also on the questionnaire. Questions such as "Most men treat women as sex objects" and "The Bible is responsible for the inferior status of women" and "Men should share the housework" provided topics for lively and entertaining discussion.

SHURE has new office

CHICAGO HEIGHTS — The South Suburban Human Relations Council (SHURE) is now operating out of new headquarters at the Unitarian Universalist Church, 15th and Scott.

It is attempting to stimulate thoughts and action through the use of previously unavailable films on contemporary and controversial social issues.

"The Murder of Fred Hampton" is the first selection in the series of six film seminars and will be shown at 7:30 p.m. Friday, Feb. 18. A coffee house with refreshments and an atmosphere for discussion will follow in the church's fellowship hall.

The five remaining film offerings are: March 17, "You Don't Have to Buy War, Mrs. Smith" and "The Selling of the Pentagon"; April 21, "Radcliffe Blues"; and "Schmeerguntz?"; May 19, "I Am Joaquin" and "Huelga"; June 16, "No Vietnamese Ever Called Me Nigger"; and July 21, "Hunger in America" and "Welfare Rights."

Further information may be obtained by contacting SHURE offices, 755-1211. Tickets are \$1.50 at the door and \$6 for the series of six film seminars.

Students 75 cents or \$3 for the series. Advance tickets may be obtained by sending a check or money order to SHURE, 15th and Scott Avenue, Chicago Heights, 60411.

Lions to sponsor pancake feast

TINLEY PARK — The Lions Club annual Pancake Day will be held from 7 a.m. to 2 p.m. Sunday, Feb. 27, at the Tinley Park High School cafeteria, 6111 W. 175th Street.

Tickets are \$1.25 for adults and 75 cents for children under 12 years. Tickets are available from Lion members and will also be sold at the high school.

Aiding the blind is the chief project of the Lions Clubs and the receipts from the Pancake Day are used for that purpose. Many of our local residents, suffering eye problems, have received needed care through the efforts of the Lions.

Late board stories

Licenses must be bought

TINLEY PARK — Trustee Merle Landau, permits and licenses committee, reported at Monday evening's board meeting that many businesses have not yet purchased their business licenses for the coming year. The deadline is February 29 and action will be taken against violators.

Mayor John Dunn issued a proclamation asking that all residents of the community observe and take part in Cancer Control Month; both through support of the American Cancer Society and through acceptance of the message from neighborhood volunteers of the society.

The proclamation states the seven warning signals of cancer: 1. change in bowel or bladder movements.

2. a sore that does not heal.
3. unusual bleeding or discharge.
4. thickening in lung or breast or elsewhere.
5. indigestion or difficulty in swallowing.
6. obvious change in warts or moles.
7. nagging cough or hoarseness.

Dunn also read a letter from the presi-

dent of School District 140 thanking the board for a \$13,900 contribution to the school district. The money was the result of voluntary contributions from the builders prior to annexation of their property.

Director of Public Works Bob Powers reported that the force main sewer being built by Allied Homes has reached 175th St. and 70th Ave. A connection will be made to the Metropolitan Sanitary District sewer at 175th St. and Ridgeland Ave.

Upon the recommendation of Trustee Pat Rea the board passed on two expenditures for the civil defense, for repairs of vehicles.

Trustee Carl Montecki asked that all business owners on Oak Park Ave. refrain from shoveling snow onto the sidewalks as it makes for hazardous conditions for pedestrians.

Trustee Bob Mason mentioned that school districts 140, 146, 228 and 230 will be meeting with members of the board on Saturday, Feb. 26 at 1:30 p.m. to discuss the school's assistance funding program.

Trustee Richard Durkin announced that members of the committee studying the possibility of obtaining Lake Michigan water will be meeting Thursday at 8:30 p.m. Also invited to the meeting will be members of water committees from Oak Lawn and Oak Forest.

Mason also asked Dunn to invite chamber of commerce members to a discussion March 4 at 10:00 a.m. regarding the corridor study program for Oak Park Ave.

In other business, the board adopted three ordinances. The first one included an amendment to the existing ordinance regulating public improvements within the village. The amendment provides for three various practices of handling monetary guarantees of the improver's intent; a performance bond, cash deposit, or letter of credit.

The second ordinance was an addition to the electrical code and the third was adoption of the Boca Mechanical Basic Code, also providing penalties for violations.

Hall to open March 19

ORLAND PARK — The grand opening of the 147th St. Recreation Building is planned for March 19, said Village Trustee Don Pekau, following the village board meeting Feb. 21. According to Pekau, plans have not yet been finalized for the program for the day. The two-story building was built to accommodate meetings of all Orland Park organizations particularly the senior citizens and the young people.

During the brief board meeting, the trustees approved plans for a Gas City station on the northwest corner of 144th Pl. and Route 45.

Applications to the Metropolitan Sanitary District for sewer permits for Clearview subdivision and Cameno commercial at 151st and West Ave. were authorized.

Trustee Robert Bibeau said the associate village attorney has prepared a new sign ordinance which will be ready for board deliberation next Monday. Sign permits were approved for Crust 'n Cone in Indian Oaks Plaza and A&D Tile Home Center, 14128 LaGrange Rd.

To rectify an oversight to having authorized six Class A liquor licenses where village ordinance only provides for five, an amendment was passed. The

only change in the amendment ordinance is to allow for the sixth license.

Trustee Roger Frantz announced three names have been submitted for the three posts on the newly created police commission. The persons will be considered by the police committee and an announcement may be made next week. Frantz declined to indicate the persons being considered.

In another matter, the board passed two ordinances validating its recent action with reference to Meade Electric Company at 131st St. and Southwest Hwy. One ordinance provided for the execution of the annexation agreement and the other for the property to be included in Class D zoning.

Considerable discussion was given to the passing of a resolution stating that the village president and trustees spend more than 600 hours a year on village business, and determining what year they commence this length of service. This information is needed for them to qualify as participants in the Municipal Retirement Fund.

Although Village President Melvin Dooan facetiously said, "We have to go back into the 1800's," the board took 1950

as the date when 600 hours service became usual. An exception was made for village treasurer Franklin Loebe who has given such hours since 1930.

In a related matter dealing with the board, study will be given to raising the salary of board members. Present members cannot avail themselves of any raise, and a raise must be set before January, 1973.

The board appointed Pekau to study the feasibility of either the village or the fire protection district adopting a requirement that homes display a red sticker in the window of the rooms where children sleep.

In other action, the board asked the attorneys to draw up an ordinance making a four-way stop at Fairway and Birch Streets. —approved the weeks of March 17 to April 3 for Campfire girls to sell candy. —approved three building permits in the amount of \$88,000. —authorized the village attorney to release to Catalina Builders per agreement money received from the county in condemnation proceedings incident to the widening of Harlem Ave. —instructed the appropriate committees to be prepared to publish a new village zoning map by March 31.

Herald editorial

Subpeona is misleading

The Illinois Attorney General issued a subpoena requesting records and books from the Tinley Park Fall Festival.

Apparently, the request for the books and records from the Attorney General's office were sent to the wrong individual in Tinley Park for the past several months, which no doubt added to the confusion when returned, and now has resulted in a subpoena. It is entirely conceivable that the Attorney General's office is still not sure who they are dealing with.

The subpoena has been given to the festival's legal advisor, Leland H.

Rayson, who has stated that it is strictly a minor matter involving the filing of the proper forms allowing the festival to fall under the Solicitation of Funds for Charitable Purposes (Act 5101)

The Fall Festival has always been a huge charitable success and has contributed faithfully to many local organizations. There are probably not many people who have lived in Tinley Park for more than three years that have not had some connection with this community undertaking. No one in the village will question the integrity of those who serve on the

Fall Festival Committee.

At the time of printing of this newspaper, the Attorney General's office could not be contacted. They were celebrating Washington's Birthday in a manner unconceivable to people in fields other than governmental agencies.

It is the sincere hope of this newspaper that all records and books will be found satisfactory and that the Fall Festival will be allowed to continue in claiming charitable purposes. It is also our hope that the Attorney General's office will find better methods of contacting the proper persons.

Players put on comedy

ORLAND PARK — Curtain call for the Palos Village Players benefit performance of "Plaza Suite," for the Carl Sandburg PTA college loan fund, will be at 8 p.m. Thursday, Feb. 24, 8:30 p.m. Friday and Saturday, Feb. 25-26, and at 7:30 p.m. Sunday, Feb. 27. The produc-

tion will be at Sandburg High School, 133rd Street and Route 45.

"Plaza Suite" is a comedy in three acts which has received acclaim both as a stage play and a movie.

Proceeds from the benefit will be used specifically for Sandburg graduates

to further their college education.

Donation is \$3 per person, except student night Feb. 24, which will be \$1.

Tickets are still available by calling Shirley Demetral, 448-1593 or Henrietta Stawarz, 349-2379. Tickets may be purchased at the door.

Safe driving class

TINLEY PARK — Mrs. Raymond Bernard, Mokena, chairman of the Cook County Farm Bureau Women's Committee, announced recently that the Cook County Farm Bureau in cooperation with the Country Companies Insurance and the Illinois State Police is again sponsoring a defensive driving course. This is one of the safety projects of the Farm Bureau Women's Committee.

This is an eight-hour course that will

County distributes \$3,353,038 in fines

COOK COUNTY — Suburban Cook County communities received \$3,353,038 during 1971 as their share of revenue through the Circuit Court, it was announced by Matthew J. Danaher, clerk of the court.

The money represents fines levied in the court's five suburban districts. Most of the cases involve traffic matters.

Fines collected for the fifth municipal district for December with the total amount collected for the first 11 months include: Orland Park, \$778, \$9,981; West-

haven, \$20.

This eight-hour classroom-type program is designed by the National Safety Council for adult licensed drivers interested in prevention of motor vehicle accidents and the practice of defensive driving.

The course is open to any adult driver in Cook County with a maximum of 50 participants being accepted for the course.

Instructors for the program are Country Companies personnel who have been especially trained, and approved by the National Safety Council. Defensive driving will be taught by using movies, visual aids, lecture and discussion methods. (A charge of \$1 to cover material costs is made to each course participant.) A free lunch will be served both days.

There will be no tests or examinations held during this two-day course.

If you are interested in taking this course call the farm bureau office for a reservation (253-6441).

Girl Scouts plan cookie sale

JOLIET — The 1972 annual cookie sale of Trailways Girl Scout Council will get underway Feb. 25 and continue through March 5.

This is the 15th sale with 3473 Girl Scouts representing 167 Junior, Cadette and Senior troops in Grundy, Kankakee and Will Counties and Lemont, Seneca and Marseilles will participate.

As in past years, Camp Pokanoka, the Girl Scout Camp near Ottawa, will benefit from the cookie sale. Plans for a dining hall and cook's quarters are based on the 1972 sale.

Scouts also receive a percentage of sales, which is contributed to their individual troop treasuries. The amount returned to each troop depends upon the number of boxes sold by that troop. This bonus return is used for troop programs, cookouts and trips.

Spring cookie deliveries will be made April 14-20.

Director of the annual sale is Mrs. J. Willard Drazy, 1015 Westminster Drive, Joliet.

The council is comprised of three main districts. Each district is headed by a district cookie captain.

District A will be directed by Mrs. Arlin Howard, Kankakee; District B by Mrs. Harold Relyea, Joliet and District C by Mrs. Lloyd Butterfield, Joliet.

District cookie captains work directly with neighborhood cookie captains, troop captains and scouts.

Assisting the District A captain are Mrs. Eugene Cotsonea, Bourbonnais; Mrs. Howard Grueneberg, East Kankakee; Mrs. Harold Schroth, Manteno; Mrs. James Wehling, Beecher and Mrs. Francis Hays, Kankakee.

Serving with District B captain are Mrs. Larry Heimer, outpost; Mrs. Edward Michaels, midwest Joliet; Mrs. Harry Guinn, Morris; Mrs. Donald Lawrence, southwest Joliet; Mrs. Lloyd Parkhurst,

Wilmington and Mrs. Robert Gubelman, Coal City.

Largest of the three districts is District C. Assisting the district captain are Mrs. John Pavalsich, Lemont; Mrs. Newey Kearney, Lockport; Mrs. Ernest Nicholson, northwest Joliet; Mrs. Gerald Picard, northwest Joliet; Mrs. James McIntyre, Plainfield; Mrs. Pat Voigt, southwest Joliet; Mrs. Lee Gericke, Frankfort; Mrs.

Warren Peterson, Valley View; Mrs. Stanley Rea, Bolingbrook and Mrs. John Brady, New Lenox.

Trailways Girl Scout Council is a member agency of the United Crusade of Will County, Kankakee County United Fund, the Grundy County United Fund and the Lemont Community Chest and also is supported by fund drives in Seneca and Marseilles.

News Briefs

TINLEY PARK — Police Chief Kenneth O'Brien asks that residents contact the police before making donations to any groups soliciting in the village.

This is in regard to police organizations that have been soliciting by mail in the area. Chief O'Brien says that some groups do not have representation on the Tinley Park police and that aims and purposes may not be acceptable.

"The department will advise citizens as to the standing of the organization," said O'Brien.

TINLEY PARK — Michael W. Bartnicki, was recently promoted to operations manager of Douglas Dunhill, Inc., the Tinley Park direct mail advertising and sales promotion firm located at 6775 W. 174th St.

Bartnicki resides in Tinley Park with his wife, Lynn and two sons, Michael and Brady.

SOUTHWEST — All children enrolled in classes in the Southwest Cook County Cooperative Association for Special Edu-

cation will participate in a hearing and visual screening in the near future. The screening is a joint project of the Cooperative and the South Metropolitan Association for Low-Incidence Handicaps.

The purpose of the project is to make certain that children in Special Education programs do not have vision or hearing problems which interfere with the learning process. Parents will be alerted to any significant findings.

TINLEY PARK/OAK FOREST — Special voter registration for the March 21 primary election was held last Tuesday at several area schools. At Tinley Park High School, 256 voters registered. Mrs. Lulu Anfield, who served as a volunteer judge, later said, "Most of those who registered at Tinley were young people. I'd say that 75 percent were 18-year-olds registering for the first time."

Elsewhere in Bremen Township, 66 voters registered at Arbor Park School, 40 registered at Morton-Gingerwood School and 67 registered at Fieldcrest School.

VERY ORIGINAL.

We call it The 14th Colony. You'll probably call it revolutionary. It's located in the scenic Fox River Valley countryside about a half mile east of Batavia. The 14th Colony is a settlement for families who value such old-fashioned virtues as good taste and community pride. It has been carefully planned with vital protections written into every deed, in the same manner Arthur T. McIntosh & Company has established the enviable communities of Inverness, Prestwick and Farmington. And it's very original. Each piece of land is irregular about one-third of an acre. The homes are inspired by Early Americana and reflect tasteful architecture and craftsmanship rarely found in the homes of today. The detailing is exquisite and warm touches of elegance abound in

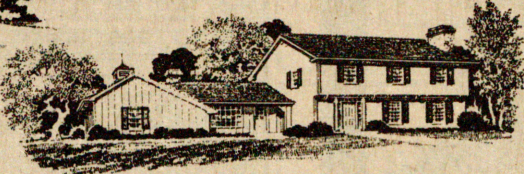

quarry tile foyers, beamed ceilings, curving staircases, oak floors, huge raised hearth fireplaces and wood panelling. All are built with honest quality. And while we believe in independence, every homesite has water, sewer and underground utilities. You can homestead at the 14th Colony from \$38,750 to \$55,000 including the fully improved homesite. Our boundaries are open every day-10 am till dark.

Buy your homesite now under contract. If you are planning to build in the future, or wish to invest in land, you can purchase your 14th Colony homesite direct from Arthur T. McIntosh & Co.—20% down, 7% simple interest.* Homesites range from \$8,000 to \$12,000.

*Example—\$10,000 purchase, \$2000 down, 84 monthly payments of \$120.75, 7% annual percentage rate.

Christ's new light

The candles were lit for the first time in the new building of Christ Evangelical Lutheran Church, Sunday, Feb. 19. The congregation moved out of its 73-year-old home in Orland Park and into the new building at 147th Street and 94th Avenue. The old church was filled to capacity for its final service.

Bella pledges to serve as full-time legislator

Frank A. Bella Jr., Republican candidate for State representative pledged today to serve as a full-time legislator when he is elected State representative from the 8th district.

"Too many state legislators are splitting their time between their duties in Springfield and their jobs at home while the General Assembly is in session," Bella said. "As a result, the citizens these elected officials represent are being short-changed."

Pledging to serve as a full-time legislator, Bella said, "It is extremely important that a full-time effort be made by our elected officials to deal with the real legislative problems we face today. With the General

Assembly in session for six months or more each year, part-time attention is no longer sufficient."

The 8th district candidate pointed out "after elected he will terminate his brokerage business" to devote full-time to legislative matters while the general assembly is in session.

Bella said that dual job-holding by "too many state representatives has contributed measurably to the lag in general assembly action on many important issues."

"In the last session of the general assembly, legislators hiked their salaries to \$17,500 annually, plus \$6,000 for operating expenses plus travel expenses," Bella noted. "That salary suggests and demands that the taxpayers are entitled to full-time representation while the legislature is in session. I intend to give the taxpayers of the 8th district full representation in Springfield."

Bella noted that he holds no paid political jobs now and will accept no other paid government jobs after he is elected.

"I am running to serve the 8th district as state representative and that is the only public job I'll hold," Bella concluded. "The people of the district deserve full-time representation by their elected officials and

they haven't been getting it." Bella has been self-employed for thirteen years. He and his wife, Maureen, have three children. Much of his training has been directed towards government service. He has a bachelor's degree in political science, and a master's degree in urban studies, and has done graduate work at the University of Chicago in political science.

Villa Homeowners to elect officers

ORLAND PARK — Officers will be elected at the Villa West Homeowners Association meeting to be held at 8 p.m. Wednesday, Feb. 23 at Carl Sandburg High School.

All residents of the subdivision at 135th Street and 86th Avenue have been urged to attend, however, only paid members will be allowed to vote.

The association is beginning its fourth year of operation. At the last meeting members decided to donate one full uniform to the Orland Music Parents drive for new uniforms for the school band.

Kelly lists key issues in 9th district

MIDLOTHIAN — Richard F. Kelly, Jr., Democratic state representative candidate from the Ninth District, announced his position on the important issues facing Illinois in 1972, at a recent meeting held at Cavellini Restaurant, Midlothian.

Kelly, a 35-year old assistant vice president of the Mid-America National Bank of Chicago, conducted a survey recently in the 9th District and found many people have lost confidence in both political party's. Kelly feels the important issues are:

We must close the tax loopholes which enable some people to escape their fair share of the cost of government. Real Estate taxes can no longer be the major source of school financing. However, the real threat to spiraling governmental cost lies not with increased taxes, but instead, with better use of the taxpayers money. We must eliminate waste in government. We should even consider eliminating the state income tax if sales taxes on food and medicine are not lifted.

I oppose the legalization of Marijuana or any other harmful drug. A scientific study made recently in England found continual use of Marijuana caused permanent brain damage. According to the Illinois Bureau of Investigation, Marijuana affects depth perception and renders the user a potential candidate for a highway fatality, similar to a person under the influence of alcohol. I feel Marijuana is the first step for many on the road to hard narcotics.

In Illinois as elsewhere in America, the rising crime rates and violence are an intolerable threat to every citizen. A violent few cannot be permitted to threaten the well being of any citizen from Robbins to Richton Park. We must reduce gun abuse, narcotic pushers and terrorism through increased penalty. Punishment alone is not the only preventive — we must move toward full social justice — so that every citizen has a chance at a good job, a quality education and a decent place to live.

Abortion is a moral issue. I feel the unborn child is a living human being. That he or she has the right to life, liberty and the pursuit of happiness. The New York State Department of Health reported over 214,000 abortions last year. I feel the present law which allows a woman to have an abortion if her life is in danger is adequate. I am pleased to join people like Eunice Kennedy Shriver and Senator Stevenson in opposing abortion. I choose to preserve rather than destroy life.

Other ideas include, increased aid to private and public schools. Annual sessions of the general assembly. Enforce environmental controls. Adequate aid for senior citizens. Increased workmen's compensation. Adequate help for school dropouts. Equal pay for equal work — regardless of sex. Improve conditions in state institutions. Local property taxes deposited in local banks. Against branch banking. Expand programs for physically and mentally handicapped children. Adequate support for police and firemen.

"I advise school boards to hold open meetings for employee collective bargaining," State Representative Anthony Scariano, D-Park Forest, told a group of Northern Illinois journalist at a recent evening meeting of Sigma Delta Chi, professional journalism fraternity.

Legislators discuss Open Meeting Act

The public's right-to-know and the Illinois Open Meetings Act were emphasized by two area legislators recently at a meeting of northern Illinois journalists in Rockford.

Anthony Scariano, D-Park Forest, and Leland Rayson, D-Tinley Park, attended the special meeting called by the professional journalism fraternity, Sigma Delta Chi, and expressed their views on the Open Meetings Act. The statute is often referred to as the "Scariano Act" as the veteran legislator authored the original law and its 1969 revisions.

Points made at the Rockford meeting by Scariano included:

— Closed sessions for employee collective bargaining are not mandatory. The law allows for them to be "secret" but it is not a necessity.

— None of the exceptions in the law allowing closed sessions is mandatory.

— Scariano said, "I advise school

boards to hold open meetings for employee collective bargaining."

— Often sessions are closed to the public but open to the press. Many papers have a policy against attending such sessions while others attend, arguing they must "to keep officials clean."

— Public officials complain the open meeting act requires them to conduct their meetings "in a gold fish bowl". Scariano said, "This is precisely the purpose of the open meeting act."

— The open meetings act covers all public bodies and the home rule provisions of the new state constitution do not change this status, according to Scariano.

— Rep. Rayson noted that the freedom of the press is often under fire. He said, "... right or wrong it is the principal of freedom of the press and this must be maintained."

— Several newsmen noted that they refer to the closed executive sessions as

"secret sessions" as "this is all they are."

— A DeKalb attorney asked, "How can we be sure that only correct business is discussed in executive meetings?" Scariano pointed out that the statute calls for penalties but, "They are difficult to make stick."

— Notices of public meetings must be posted and provided. Public bodies cannot sign waivers of notice of public meetings.

— Any action taken at a closed session

can be set aside if it was arrived at illegally in the closed meeting.

— The time and place of public meetings must be "convenient to the public."

— In other discussions a junior college president in attendance said he felt it was the responsibility to the public officials to "be sure the reporter understands the story."

Rep. Scariano suggested that public officials conduct frequent information seminars to brief reporters on important and detailed stories.

Orland man is president of Community Chest drive

ORLAND PARK — Joseph P. Schutte, 10055 W. 143rd St., was elected president of the Community Chest at a board meeting held Feb. 11. Schutte will be working with E. Kenneth Friker, 8641 W. 145th St., vice president; Robert Bateman, 10531 Hillcrest, Palos Park, treasurer; and Mrs. Clarence Albert, 14341 S. 85th Ave., secretary.

During the meeting Schutte appointed board members to committees to work out plans for 1972. Members of the finance and allocations committee are: Jack Skievaski, chairman, E. Kenneth Friker,

Frank Klecka, Mrs. Robert Pericht and Mrs. Carl Osterman.

Mrs. Russell Whitney will head the agency relations and publicity committee.

Steering committee members include: David Carson, chairman, Edward W. Moltzen, Robert E. Hord and Mrs. Ray Estand.

A Thought To Remember

BY BOB HIRSCH

George Washington said, "It is impossible to govern in this world without God and the Bible." As we celebrate his birthday, we wonder what he would say, in his dismay, if he saw what was happening today.

In his dismay, he would see anti-society groups concerned only with self satisfying desires. . . In his dismay, he would see growing numbers of anti-society youth flouting unbridled morals with a creed of live it up today, the heck with tomorrow . . . In his dismay, he would see rampant crime increasing at an alarming rate. . . In his dismay, he would see decreasing numbers of people saying Grace before meals, ignoring the once common custom . . . In his dismay, he would see Godlessness accepted as a gospel and Gospels of the Bible snubbed, even by serious minded intellectuals.

True, he would see a majority of Americans also dismayed by these same things. True, his dismay would be caused by a fractional minority of our people. But, unless the majority influence the minority to change their views, customs and behavior, Washington's words will eventually haunt all of us. . .

Church offers many programs

TINLEY PARK — The Tinley Park Church of Christ is on the move with a program of interest for every age group under the leadership of the new minister, Michael Heston. Some of the study and social groups are new.

Pastor Heston has come to Tinley Park after a three and half year ministry at Farmington, Mo. He is starting a new series of sermons of Biblical teaching applied to modern living conditions and problems.

Two new groups have been formed. The J.H.er's, a Junior High school group, meets on Thursday at 7 p.m. at the member's homes. The program includes Bible study, discussion and refreshments. The J.H.er's are sponsored by Phil and Peggy Swick. The lessons are taught by Mrs. Martha Grove.

The Pairs and Spares, is a new Sunday School class, for the college age and young couples. This is a discussion class and will try to answer any question that is of interest to the members. Social activities are also planned.

TINLEY PARK — The "Cum Join Us" class of the Tinley Park Church of Christ recently met in the home of Mr. and Mrs. Harry Camp of Oak Forest. The room maintained by the group at Cedar Lake Christian Assembly was discussed and plans were made for repairs and replacement of furniture.

Cedar Lake Christian Assembly is located at Cedar Lake, Ind. It is owned and maintained by the Christian Churches in the Greater Chicago area. The camp program lasts for 12 weeks during the summer and offers recreation and study for all age groups.

Devotions at the meeting were given by The Rev. Michael Heston. A social period and refreshments were enjoyed by all.

Homemakers meet Thursday

TINLEY PARK — The Bremen Unit of the Cook County Homemakers Extension Association will meet at 7:30 p.m. Thursday, Feb. 24, at the home of Mrs. Ralph Hayes, 6533 W. Pine Point Drive.

The major lesson, "Laws and How They Effect Homemakers," will be presented by Mrs. Thomas Darby and Mrs. Charles Armour.

Several girls from the Helping Hands 4-H Club will give a demonstration at the meeting.

Members have also been reminded that Feb. 24 is the deadline for turning in stuffed toy animals which will be delivered to the Tinley Park Mental Health Center - children's division. Pre-cut toys, patterns and fabric were available at the January meeting to be completed by members at home and returned at the February meeting.

Mrs. James L. Vonesh, public relations chairman, announced that a special lesson entitled, "Three Dimensional Toile

Arrangements" which is open to the public, will be held at 10 a.m. Tuesday, Feb. 29, at the Tinley Park United Methodist Church. Further information may be obtained by calling 532-2027 or 532-4189.

In spite of extremely cold weather and the threat of more snow, 19 members and six guests heard Mrs. Catherine O. Ewardson, extension advisor, give the major lesson "Wall Arrangements of Accessories," at the Unit's January meeting. Four of the guests were a representative group from Markham where more than 23 women are anxious to learn about Homemakers so they may begin a unit.

Installation of 1972 officers was also held at the meeting and conducted by former Bremen Unit chairman Mrs. Victor Pokorny. Elected as chairman was Mrs. Ralph Hayes; first vice chairman, Mrs. James E. Wrezen; second vice chairman and treasurer, Mrs. Charles Armour; and secretary Mrs. Charles B. Powers.

Refreshments were served by Mrs. Vonesh and Mrs. R. Gordon Miller, hostesses.

'All joy be yours'

ORLAND PARK — Church Women United in the Palos, Tinley and Orland Park areas will observe World Day of Prayer, an international celebration of faith and unity among Christian women at 1:15 p.m. Friday, March 3, at the Orland Park United Methodist Church, 9955 W. 144th St. The theme, to be used in similar gatherings in 169 countries is, "All Joy Be Yours."

This celebration is the most widely observed activity of Church Women United, which is the ecumenical expression of Protestant, Orthodox and Roman Catholic women who wish to mobilize around common goals and channel energies into effective action. There are 2,300 units of CWU in the United States.

Sister May Anne Hoopes, instructor of theology at Mundelein College will bring the message, "An Affirmation of Joy." She will speak about the common bond of prayer and Scripture which believers in Christ have.

The World Day of Prayer offering goes into a fund called Intercontinental Mission—the process by which CWU participates in a ministry to people all over the world.

The people and places to whom funds are granted include women and children in need of education and better nutrition,

minority women in new careers, 13 women's colleges in Asia and the Near East, international students, American Indians and Spanish speaking people, migrants, refugees, future church leaders interested in ecology and women leaders in Africa and Latin America.

Refreshments will follow the service and a babysitting service will be available.

For water main

Premium payment OK'd

NEW LENOX — The New Lenox Village Board has approved payment of the premium on a \$25,000 bond the state demands for laying a water main across U.S. 30. It will cost the village approximately \$250.

The state requires a bond to insure payment of any damage that may result from cutting through the highway. The state usually insists that contractors carry mains under a highway through a boring, in which a casing has been inserted.

New Lenox will be able to dig a trench across the highway because of the rock formation that rises almost to the surface there. To bore through the rocks

would be a most expensive operation, according to John Djerf, of Robert E. Hamilton Engineers, designers of the new water system.

The elevated water tank has been completed, Djerf reported, and was now in use. When Djerf reported the tank was complete he did not include the painting. That will be done when weather permits, probably in the late spring.

In other business the board approved an ordinance re-zoning the recently annexed property of Dennis Valy from R-1 to R-2. The board annexed the property, at the southeast corner of Wood and Cooper streets. Originally it was one piece

but Valy has cut it into four lots.

R-1 classification is for lots that contain 10,000 square feet and the house must have 1,200 square feet of living space. R-2 classification also calls for a single family dwelling but the lot size is reduced to 7,500 square feet and the living space requirement for the house is 1,000 square feet. Most of the lost in New Lenox, it was said, are in the R-2 category.

Rachel Bruns has been hired to take the minutes of the plan commission and zoning board of appeals.

The board granted the request of the Salvation Army to hold its annual Donut Day Tag Sale June 9. The rain date is June 16.

Development decision due March 7

MANHATTAN — Bill Bolker, New Lenox contractor and developer, should know on March 7 whether his 3,500-unit development in Manhattan will get the green light. Bolker and his attorney, Larry Ennlund, were at the public hearing conducted last week by the plan group in the Manhattan grade school.

On the following night they went before the Manhattan village board to present the amendments and alterations agreed to at the public hearing.

The proposed Manhattan housing development lies north of the village on a 456-acre tract. According to Bolker the development will cost \$64-million.

He is prepared to donate 75 acres to the village, which includes 20 acres for a school site, and the remainder would be shared for park, pedestrian greenways and a municipal site. The acreage for a school would go to the elementary district. Lincoln-Way High School district would receive approximately \$60,000 in cash.

Bolker said the developers will meet the expense of the street, sewer and water improvements. The water system, Bolker said will be financed through revenue bonds so the only ones paying for it will be the people using it.

He said that a 250,000 gallon water tank would be erected. The present water tank at Manhattan, has a 55 gallon capacity.

Also planned for the development is a large lake, to be used as a reservoir for storm water and winter drainage. The lake would have a clay bottom so would not go dry, according to Jerry Thompson, village engineer and engineer for the project. Thompson said the water levels in the lake can be controlled. The lake would be at the south end of the project.

The project, known as Valley View Corporation, would contain a 58-acre commercial area, Bolker said, which should benefit the village through the sales tax, and the population increase should hike the village share of the state income tax as well as the motor fuel tax.

Bolker also pointed out that the real estate development should aid all taxing bodies who share in the real estate tax. The plans call for 493 single family homes: 452 townhouses; 368 four-plexes (a four-plex is one structure with four homes); 509 garden apartments and 1,593 medium-density apartment units.

According to Bolker the homes, based on today's values, will range from \$25,000 to \$35,000, and that there will be a variety of designs. The average house, Bolker said, would have 1,500 square feet of space.

It is expected that the plan commission will have decided the case so a recommendation will be made to the village board for action at its March 7 meeting.

If the project is given approval by the village the developers will then ask for rezoning and annexation.

Zoning amendment brings hearing need

NEW LENOX — At its regular meeting last Wednesday the New Lenox Village Board adopted a resolution asking the plan commission to conduct hearings on the amendment to the zoning ordinance by deleting the provisions relating to R-4 classification. R-4 zoning permits high density apartments.

The number of apartments permitted under zoning ordinances is determined by the size of the building site. The scale varies in various municipalities so what is acceptable in New Lenox, for example, would not be permitted in Frankfort, or vice versa.

For example at New Lenox a two-bedroom apartment requires only 1,500 square feet of lot space under R-4 classification,

while if built under R-3 it must have 3,500 square feet of lot space.

The resolution also provides that the zoning board of appeals should conduct a hearing to grant a variation or a recommendation for a special use, whichever is applicable, for that property zoned R-4 in the apartment complex east of Cedar Road on Townsend Drive by Ordinance 242.

The variance should be one that would not cause such property to be non-conforming but to be in compliance with the R-3 variation.

The variance provided for by the ordinance would amount to 10 per cent. As an example 3,500 square feet of lot space could be reduced to 3,150 square feet.

Five seek library seats

FRANKFORT — To date there are five candidates for the four places to be filled on the Frankfort Library Board April 11.

First day for filing is March 1, according to Marian Nordsell, secretary of the board. Petitions and statements of candidacy may be obtained at the library, 27 Ash St., Frankfort. The library hours are 3 - 6 p.m. Tuesdays and Thursdays, 3 - 9 p.m. on Wednesdays, and 10 a.m. to 2 p.m. Saturdays.

Candidates for the six-year term are Patricia Brown, Connecticut Hills, and Edward Sirovatka, Prestwick, incumbents, and Sandra Biel, Frankfort.

There is one candidate, incumbent Charles Shields, Frankfort, for a two year term, and one candidate, Joyce Bluth, Lincoln Estates, an incumbent, for a four year term.

Sirovatka, Shields and Mrs. Bluth were appointed to the board to fill vacancies.

Village board objects to mobile home park

FRANKFORT — Annexation has its obligations, enough members of the Frankfort Village Board decided, and so Frankfort has filed formal objections to location of a mobile home park on approximately 148 acres between the E J & E and the Penn Central railroads' right of ways at Ridgeland Avenue.

The objection was filed late last week with the county clerk of Cook County, by August J. Santoro, village attorney.

The Rich High School district is opposing the requested rezoning of the property from R-3 to B-5.

Richton Park is the village in the area but inasmuch as Frankfort has strip annexed U.S. 30 to Ridgeland Avenue, and Ridgeland Avenue south to Sauk Trail, and Sauk Trail west to the Village of Frankfort it is the closest municipality to the property involved.

The objection points out that the acreage is within 1 1/2 miles of the boundaries of the Village of Frankfort, and the B-5 zoning (which would permit establishment of a trailer park) would not conform to the master plan adopted by the Village of Frankfort.

If the Cook County Zoning Board of

Appeals denies the petition of Robert D. Boyle, owner of the property, a three-quarter vote of the Cook County Board of Commissioners would be required to override it, Santoro explained.

At the recent zoning hearing in the village hall at Matteson, it was brought out that much of the property involved is subject to flash floods after hard rains cause Hickory Creek to rise.

Music festival

LOCKPORT — The 110 members of the Providence High School Glee Club will present their annual winter music festival at 8:15 p.m. Sunday, March 5, at the Shepherd of the Hill Lutheran Church, Route 7 and 7th Street, Lockport.

The Rev. Paul A. Johns, pastor, extended an invitation for the group to perform in his church which is noted for its unique and contemporary architecture.

Featured at the program with the Glee Club will be soloist Greg Morin, The Men's Schola of Lewis College and an instrumental ensemble of local area students. Director of these groups is Brother Ralph Heppie, FSC.

Frankfort intervenes in trailer park lawsuit

FRANKFORT — Village Attorney August J. Santoro has filed a petition in the Will County Circuit Court in behalf of the Village of Frankfort to intervene in a trailer court lawsuit.

The suit was started in an endeavor to overturn the decision of county authorities to ban location of a trailer park south of Frankfort.

The plaintiff (supporter of the proposed trailer court) in the case is the LaSalle National Bank, as trustee under Trust No. 3759 but it is Fred Jurcak, of Prestwick, who was the principal figure at the hearings before the Will County Zoning Board of Appeals and the Will County Board of Supervisors.

The zoning hearing was conducted in the Frankfort School gymnasium before a crowd of interested residents of the village and area, most of whom were opposed to a zoning change which would permit a trailer park. The zoning board denied the petition for rezoning.

The Village of Frankfort had filed a formal objection to the proposed zoning change on the strength of it being within 1 1/2 miles of the proposed camp, which gave it jurisdiction in the matter. This objection made it necessary for a three-quarter vote in the county board to overrule the zoning board. The county board sus-

tained the action of the zoning board so now the case has gone to court. At that time Jurcak pleaded for the rezoning.

At the village board's meeting Feb. 7 it was decided that the village should intervene in the suit and Santoro was so instructed.

The intervening petition states that village is within the 1 1/2 mile distance of the proposed rezoning, that it presented evidence opposing the rezoning when the matter was heard by the county zoning board and that it is still opposed to such rezoning, contending it would be contrary to the master plan established by the village's Planning Commission.

The petition also alleges the proposed rezoning would "hinder the orderly growth of the village; depreciate value of surrounding property; would be harmful to the community's school systems, and endanger the general welfare of the residents of the Village of Frankfort."

The petition concludes: "That intervenor is a municipal corporation having control over the area sought to be rezoned and is vitally interested in and affected by the outcome of this cause in that intervenor desires to be heard and afforded the opportunity of being made an additional party defendant so it may present whatever additional pertinent testimony this court will permit."

Board approves Chelsea School building project

FRANKFORT — Work completing the second floor at Chelsea School is to begin as soon as possible so it will be ready when the 1972-73 school year opens next September.

The board gave approval of the project, which was recommended by Supt. Leroy M. Olson, at its regular meeting last week in the Frankfort School library.

Completion of the second floor facilities will mean that next school year Chelsea will house all students from kindergarten through fifth grade. Frankfort School will be used only for the sixth, seventh and eighth grades.

When Chelsea School was built the second floor was left unfinished until it was needed.

The board also approved the recommendation of the superintendent to develop a pilot program for the open concept in instruction at the fifth grade level. Mrs. Marianne Baker, one of the present fifth grade

teachers, will head the pilot program, it was announced.

Mrs. Barbara Hurd, a student teacher at Chelsea last fall and presently employed by the Mokena schools, has been hired to work in this pilot project.

The open concept, currently popular in education, differs from conventional educational techniques, Supt. Olson explained. The open concept program, he said, attempts to promote learning through the use of independent study and the utilization of skills of several instructors for the same students.

The board also approved the hiring of Paulette Flynn for the 1972-73 school year. A graduate of the College of St. Francis, Mrs. Flynn taught second grade at Chelsea in 1970 and 1971 when she resigned because of moving to Iowa.

The next meeting of the board will be held at 7:30 p.m. Monday, March 13, in the Frankfort School Library.

The Arbury Hills Lions Club will celebrate its Charter Night by attending the "Theatre In The Round". The members will have dinner and then the show with their wives as guests. Presently being shown is *Showboat*. Chairman for this event is William Kilgore.

St. Mary School's three sets of cheerleading teams from sixth, seventh and eighth grades participated recently in a cheerleading competition at the Catholic schools' competition at the Maternity of the BVM School in Chicago.

The eighth grade girls came out in first place in their level of competition and were given a school trophy and individual trophies. The seventh grade in their level in the competition came in second place and were given a school trophy.

The sixth grade girls made it to the semi-finals, but were eliminated at that point in the sixth grade competition.

The seventh and eighth grade girls were coached again this year by Mrs. Karyl Hobbs, while the sixth grade girls were coached by Mrs. Louise Hendrickson.

The hearing for the annexation petition has been set for 10 a.m. on March 14 in the Will County Circuit Court. Circuit Judge Stewart C. Hutchison will be the presiding judge.

If the court determines that the petition is proper, it could give the petition to the authorities in Mokena for further action. The annexation could be approved by resolution of the Mokena village authorities or by a referendum of the present village residents.

After a long silence, we are back again. We visited the Grand Cayman Islands in the British West Indies for a little scuba diving in that divers' paradise. We also made our first winter trip to Aspen, Colo., to try our hand at skiing. Nothing broken.

Sherry and Cliff Davis of Prestwick Drive have just returned from Trinidad. From what we hear, it was a very successful business trip for Cliff and was no doubt a great vacation, plus a little business, for Sherry.

Millie and Elwyn Ahnquest of Aberdeen Road just returned from a combination business and pleasure trip to Pompano Beach, Fla.

Mrs. Margaret Adair, part of the Baird Clan who occupy their own version of a Scottish castle on Pheasant Trail, has returned from a lengthy vacation in Florida and then ten sun-filled days cruising the Caribbean on the SS Neuw Amsterdam with Bill and Sandy Flynn of Maple Court.

The Jim Koguts, also of Prestwick Drive, spent several weeks in Europe recently. They probably did a little skiing and took a look at the night life.

Art Miller, president of the Prestwick Homeowners' Association, is to be congratulated for his fine representation of our interests at a recent zoning board hearing in Cook County regarding a contemplated

trailer park suggested for a site near Sauk Trail and Ridgeland Avenue in Matteson. Art voiced our objections along with most of the municipalities concerned.

Our condolences to Marcella and Art Miller on the untimely passing of Art's brother.

Welcome home to one of the best cooks in Prestwick, "Grandma" of the Baird Clan. She took a bad fall in her home several weeks ago. She is recovering nicely and we are looking forward to good eating again.

Your social committee announces an "Italian Night" in the club house on Friday, Feb. 25, at 6:30 p.m. The menu sounds yummy. Cost is \$5.95 per person and there is a guest limit. Make your reservations early for this fine event.

Sons and daughters of several Prestwick families were recently honored by their schools for scholastic achievement. We don't have the details and we would certainly like them. Such fine work deserves recognition and we would like to give it. May we please hear from you parents?

Anyone not registered to vote? Feb. 21 was your last day to register for the upcoming March 21 primary. You can still register for elections for new county board members. For now, the Will County Board is our only local government, so it's an important election. Eighteen-year-olds can vote; how about your son or daughter? You can always register in Joliet at the County Court House.

We would like to extend a cordial welcome to some of our newest neighbors:

Mr. and Mrs. Kenneth Heffron just moved into their Veux Carre condominium apartment. They have two children, Kenneth and Maureen. Kenneth is a first year medical student at Creighton University in Omaha. Maureen has just left to join her husband in Adak, Alaska. She will occupy her time by teaching math in the local school. The Heffron family hails from Chicago and they enjoy a second home in Michigan as often as possible. Mr. Heffron is the president of Marmac Insurance Agency in Chicago and he also operates some trucking companies.

Mr. and Mrs. Donald Dolan recently moved into their fine new home on Ayrshire Court off of Sauk Trail. They have three children: Donna Marie, age 10; Colleen Francis, age nine and Catherine Ann, age three. Their previous residence was in Oak Forest. Don is vice-president of Calumet Brass Foundry in Dolton.

Mr. and Mrs. Donald O'Toole moved into the Veux Carre condominium last August. Sorry we are late welcoming them. They joined our community after 23 years in Flossmoor. They have two married children, Donald Jr. and Nancy. Don Jr., who now resides in Clarendon Hills with his wife, should be presenting the proud grandparents with their second grandchild any day now. Nancy, Mrs. James Dopke, had the honor of presenting the first grandchild, Mr. O'Toole Sr., is the president and board chairman of Financial Management Consultants, the management firm for all Pullman Banks and Heritage Banks.

Michael J. Flynn, Maple Ct., was recently made a member of the Honorable Order of Kentucky Colonels by Governor Wendell Ford of Kentucky. The governor also extended to him an invitation to attend the forthcoming Kentucky Derby.

We are still looking for news about Prestwick. Please give us a ring any time, we are happy to serve. If you have any other news of general interest, we will be delighted to assist you.

Skopac named MS vice president

WILL COUNTY — John Argoudelos, regional president of the Muscular Dystrophy Association of America, has announced the appointment of Robert R. Skopac of 335 Hutchins in Joliet as a regional vice-president of MS at the organization's annual meeting at Al's Steak House in Joliet last Thursday.

The MS Region includes Will, Grundy, Kankakee and Kane Counties.

Argoudelos also announced the plans for a local telethon scheduled for the area in conjunction with the major annual fund raising event of MS, the national TV Telethon with comedian Jerry Lewis.

Argoudelos reported that Will County residents contributed nearly \$19,500.00 in 1971. He announced the 1972 goal for Will County will be \$30,000.00. He further reported that in 1971 the region served 65 MS patients and that about 25 of these patients were in Will County.

Dinner, dance slated

NEW LENOX — The Irish-American Club of Will County is holding its third annual St. Patrick's Day dinner-dance on Saturday, March 18, at Providence High School, New Lenox, starting at 7 p.m.

Traditional Irish corned beef and cabbage and ham will be served along with other refreshments. Music will be provided by the Bob Anthony Quartet.

This annual event of the Irish-American Club has become the largest and most popular celebration of St. Patrick's Day in Will County.

The ticket deadline is March 6 or tickets can be obtained at the door. Anyone desiring early reservations should contact Leo Meehan at 815-725-1547.

Cagers clash in regionals

SOUTHWEST — Lincoln-Way, Tinley Park and Sandburg all begin their pursuit of the Class AA basketball crown next week. The schools are competing in the large school competition for all schools, with enrollments of 751 and over.

Tinley Park will meet Homewood in the Homewood Regional March 1, at 7:30 p.m. The winner will advance to the title game March 3, at 7:30 p.m. against the winner of the Rich Central-Hillcrest game.

The regional winner advances to the Joliet Central Sectional March 7-8 and 10.

Lincoln-Way and Sandburg, a couple of old foes from the Southwest Suburban League, square off in Romeoville Regional play March 1, at 7:30 p.m. The winner plays the winner of the Lockport-Romeoville game for the regional title, and will advance to the Joliet Central Sectional, March 7-8 and 10.

Kankakee East routes Knights

KANKAKEE — When a team is battling for the conference title, the time to have an off-game, if you must have one, is against a non-conference foe.

That's just what happened to the Lincoln-Way basketball team last weekend. The Knights were rocked by Kankakee East, 100-79, in a non-conference game Saturday.

Fortunately Friday night the Knights fared much better, beating conference foe Oak Lawn, 69-59. The Oak Lawn win enabled the Knights to remain in a three way tie with Homewood and Rich East for the conference lead. All three teams have 11-2 records.

The three leaders close out their season this Friday, and by Friday night there will only be one or two champions. Rich takes on Bremen, while Lincoln-Way travels to play Homewood in a game that will knock the winner from the league lead. In the first meeting between the two teams this season Lincoln-Way won 60-47.

Kankakee kept the Knights' power offense bottled up with a full-court, zone-press which resulted in the Knights committing 10 first half turnovers, with Kankakee converting eight of these into points.

Lincoln-Way was also hampered by foul trouble, and played most of the final half with three of their regulars on the bench.

Lincoln-Way's two big men, Terry Ryan and John Pirko, had foul problems and eventually fouled out. A third regular, Greg Hackler, was tossed out of the game following a scuffle with one of his own teammates with only a minute gone in the half.

The loss of its three top rebounders cost the Knights the control of the boards, and the game.

Although hampered by fouls, Pirko and Ryan shared the scoring honors for the Knights with 19 apiece.

Against Oak Lawn, it was Ryan who rallied the Knights after they trailed through most of the game. Oak Lawn led throughout the first three quarters, and at one time the Knights trailed by as many as 11 points, and were down by nine going into the last period.

Lincoln-Way put on a press in the final period. The Spartans committed several turnovers and the Knights scored on five of them.

Ryan, who tossed in 38 points, had 14 in the final quarter including five of his 16 rebounds.

Sports Shorts

CHICAGO — Tickets are now available for the \$50,000 Kemper International Tennis tournament to be held in Chicago March 13-19. The 32 man field for the event includes the Wimbledon Champion John Newcombe, Rod Laver, Ken Rosewall, Arthur Ashe, Tim Okker and Marty Riessen.

In last years tournament Newcomb defeated Arthur Ashe for the title in McGaw Hall and is seeded number 1 for this years tourney.

The first four days of competition will be held at Lions Township High in La-Grange and DePauls Alumni Hall. The finals on March 17-19 will be held at McGaw Hall in Evanston.

Ticket reservations or information can be obtained by writing to All Star Tennis Inc., Suite 503, 333 North Michigan Ave., Chicago, Ill. 60601 or by calling 263-0274.

Eagles qualify six

HINSDALE — After the Carl Sandburg swim team won the Southwest Suburban Conference title last week it seemed hard to believe how the Tankmen could do much better, but Saturday the Eagle swimmers did just that.

They traveled to Hinsdale Central High for District competition and returned with 17 medals. Finishing second behind the defending state champions, Hinsdale Central, the Eagles qualified five swimmers in seven events plus one diver for this weekend state competition at New Trier in Winnetka.

Eagle Coach Allen Gillberg couldn't say enough about his squad as nine swimmers recorded their best times.

In the opening event, the 200-yard freestyle Andy Merz and Al Gillberg Jr. finished third and fourth respectively, both beating the state qualifying time and finishing behind two Hinsdale Central swimmers.

In the 200-yard individual medley Dave Prosen qualified with a third place time of 2:11.

Don Tanis finished fourth for the Eagles and just missed qualifying.

George Meri John recorded a third place under the qualifying time in the 50-yard freestyle to win his first of three medals. Meri John finished behind two Hinsdale Central swimmers in that event.

Andy Merz finished third behind two

Hinsdale swimmers under the qualifying time in the 100-yard Butterfly event. Meri John also qualified in the 100-yard freestyle finishing second. Freshman Al Gillberg Jr. qualified in his second event with a third place finish in the 400-yard freestyle as he bettered the state qualifying time.

The 400-yard freestyle relay team of Meri John, Gillberg, Merz, and Steve Schroeder qualified with a second place finish behind Hinsdale Central.

In District Diving competition the top five divers advanced to the state meet.

Sandburg diver Ray Zabelski took fifth just ahead of teammate Dave Mantel, in sixth. Mantel last week won the conference diving honors but faltered late in the district competition to just miss qualification.

Providence cagers close with two wins

NEW LENOX — Five points made the difference between a losing season and the break-even point for the Providence basketball team, over the weekend.

The Celts closed out their season with a pair of wins to finish with a 12-12 record, and a 7-7 mark in Private League play.

Saturday the Celts slipped by Private League foe Illiana 56-54, in one of the worst shooting displays by two teams this season. Friday, the Celts beat Private League foe Luther North, 81-78.

Saturday neither team could find the basket. Providence hit only 24 of 70 shots for a .343 average, while Illiana made 20 of 58 for a .345 mark.

The teams did almost as poorly at the free throw line with Providence making 8 of 24 for .333, and Illiana 14 of 31 for .452.

Providence fell behind 5-0 at the start before Steve Gant and Roy King each contributed four points, in an eight point surge.

The Celts held a 20-19 at the end of the first quarter. The second quarter was a study in frustration for both teams. Providence took 15 shots and made three while Illiana took 15 shots and made four.

Five straight points moved Illiana ahead 24-20 in the second period as Providence failed to score in the first three minutes.

The Celts had a second period spurt which saw them score five points to move into a 25-24 lead, but Illiana hung on for a 31-28 halftime advantage.

In the third quarter Providence hit five of 19 and Illiana managed three of 14. Providence tied the score 45-45 with 4:22 remaining and held a 52-46 edge with 1:15 left in the game.

Illiana rallied to cut the lead to 54-50, but Bob Bravato dropped in what proved to be the winning points.

Titan just misses state swim mark

DOLTON — Fred Flor, senior swimmer for Tinley Park, missed qualifying for the state swimming finals by three-tenths of a second, Saturday in the Thornridge District.

The finals will be held this Saturday at New Trier High School, Winnetka.

Flor finished third in the 100-yard breaststroke in a time of 1:07. The first two finishers in each event, plus any swimmer who can meet a minimum time standard in each event, qualified for the state meet. Qualifying time in the 100-yard breaststroke was 1:06.7.

Flor's time set a Tinley Park school record by a tenth of a second.

Jeff Muys won a medal for his sixth place finish in the 400-yard free style, and the Titan medley relay team took a fifth.

Lincoln-way third in SW gymnastic meet

HOMEWOOD — Lincoln-Way's gymnastic team finished third in the Southwest Suburban Conference meet Saturday.

The Knights scored 58 points. Hosting Homewood was an easy winner with 131 points. Rich East was second with 79 points. Mark White was the only winner for the Knights taking the title on the trampoline.

Jay Clark was second on the sidehorse and Gene Warner was third.

Knight matman in state meet

NAPERVILLE — Mike Bachmann of Lincoln-Way battled back from an early loss to qualify for the state wrestling finals at Illinois State, Normal, Feb. 25-26.

Bachmann lost a semi-final bout to the Naperville 126-pound sectional champion, Pete Dombrowski of West Chicago, 2-1. Bachmann had started things off with a pin over Lockport's Doug Hayes in the first round. After his loss, Bachmann competed in the wrestleback competition and beat Ken Tarpey, of St. Charles, 7-3 in the first round. Bachmann then beat Steve Howard, of Wheaton North, in the wrestleback finals, 2-0, to qualify for a state berth.

Ken Codini who also qualified for sectional competition for Lincoln-Way, was pinned in the first round by Jim Pooler of Aurora.

Two Tinley Park wrestlers lost in wrestleback action in the sectional. Randy Reagan, lost 7-2 in the first round, but followed with a 2-0 win in the first round wrestleback. Reagan then lost his 132-pound bid 12-9 to Randy Gibson of West Chicago in the second round wrestleback.

Bob Martin of Tinley Park lost his first at 155-pounds, 7-0, and then dropped a 3-0 decision in first round wrestleback.

Tim Gerdes of Oak Forest lost to Robert Curtis of St. Charles 17-7 in first round action.

Joliet West won the sectional title with 49 points, followed by Wheaton North with 46. Lincoln-Way had 16 points, and Tinley three.

Rangers, Canadians both win close ones

OAK FOREST — Friday night was filled with excitement as the Gingerwood Rangers took on the Bruins in the first of two hockey games held at Morton-Gingerwood School.

Ranger Doug Kurecki scored the first goal of the game with just 20 seconds gone in the first period when he jammed home a short rebound around a crowded Bruin net.

With six minutes elapsed in the first period Bruin Jim Dohrn tied the game with a 15-foot slap shot from a difficult angle. Both teams were superb on defense as shot after shot was blocked by both teams. Doug Kurecki tallied again at three minutes of the second period when he took a pass from Ranger Mike Gorszyk and slammed home a short eight-footer that the Bruin goalie had no chance

of stopping.

The tension mounted as the Bruins fought to recapture the lead in the game and also in the win column but the Rangers could taste victory and for the rest of the second period and all of the third period perfectly defended every onslaught by the Bruins. The game ended with the Rangers victorious 2-1.

The second game between the Canadians and the Blackhawks was another game of defensive battle until seven minutes had elapsed in the first period when Canadian John Morgan made a 35-foot slap shot that eluded the Blackhawk goalie. With one minute left in the period Blackhawk Bill McKinley tied the score when he rammed home a seven-footer from a breakaway.

Two minutes into the second period Morgan put the Canadians back in the lead when he made a 20-foot lifting slap shot from the far side of the rink.

Both teams raced fast trying to score and not until four minutes of the third period had gone by was another goal made.

Morgan scored a hat trick when he made a short rebound shot to put the Canadians in the lead 3-1.

Two minutes later Blackhawk Bill Stadden scored with a nine-foot lifting slap shot that the Canadian goalie had no chance of stopping, but the Canadians held on to win 3-2.

Titans beaten on the boards

CHICAGO HEIGHTS — Tinley Park's basketball team lost two more games on the boards last weekend. The Titans dropped a close 77-74 decision to Southeast Conference foe Hillcrest, and then fell 91-61 to Bloom in a non-conference game.

In both games the winner's control of the rebounds made the difference. The Titans made it close against Hillcrest with a balanced scoring attack.

Jack Triesenberg paced the Titans with 16 points, followed by Steve Bettenhausen with 15, Kirby Bullard with 14, and Randy Lindstrom with 12.

Against Bloom Lindstrom led the way with 16 points. Triesenberg had 12 and Bullard 10.

The Titans are now 6-16 for the season and 2-11 in Southeast Suburban play. Tinley closes its season Friday, Feb. 25, by hosting conference foe Thornton Fractional North at 8 p.m.

Flag football registration set

OAK FOREST — Registrations will be taken for the Oak Forest Park District flag football and softball programs during March. Registrations for the Fieldcrest park area known as park district 1 will be taken from noon to 6 p.m. Saturday, March 4, at Fieldcrest School, 4100 W. Wagman.

Registrations for the Ginerwood area, known as park district 2 will also be taken at the same time and date at the Gingerwood Park District garage, 169th and Forest Avenue.

All football registrations will be for boys ages 8-13. Deadline for the age groupings is Dec. 31, 1972. The fee is \$8.

Softball registrations will be for boys and girls ages 9-13 and 13-17. A birth certificate is required at the time of registration.

St. Mary beaten twice

MOKENA — St. Mary School wrestling team had two dual meets last week. On Tuesday, Feb. 15, St. Mary traveled to Troy Junior High School. Due to the fact that it was a junior high, the point weights started at 60 lbs.

The final team score was Troy 40 - St. Mary 15. Dennis Slusarski (60 lbs.) won on points 7-0; 70 lb. Pat Geary won on points 7-2; 75 lb. Bob Mansell lost on points 7-2; 80 lb. Jim Sitzburger lost on points 14-4; 85 lb. Doug Slusarski won on points 4-1; 90 lb. Tom Cumbee lost on points 5-3; 95 lb. Kevin White lost on a pin; 100 lb. Steve Gorman lost on points 12-0; 105 lb. Ken Sitzburger lost on a pin; 110 lb. Tom Strilich lost on a pin; 115 lb. Rich Mansell tied 4-4; 120 lb. George White won on points 11-1; and 125 lb. Tom Goebig lost on a pin.

In exhibition matches Don Schofield won on points 7-0, David Hovi lost on points 5-1 and David Hendrickson won on points 12-0.

In the second dual meet of the week, a home meet, St. Mary hosted Oakview Jun-

ior High School from New Lenox. Again the 50 lb. weight had to be eliminated, because of lack of competition.

The final team score was Oakview 49 - St. Mary 18; 55 lb. Don Schofield won a pin; 60 lb. Dennis Slusarski won on a pin; 65 lb. David Hovi lost on a pin; 70 lb. Pat Geary lost on points; 75 lb. Bob Mansell lost on a pin; 80 lb. Jim Sitzburger lost on points 4-0; 85 lb. Doug Slusarski won on points 7-5; 90 lb. Tom Cumbee lost on a pin; 95 lb. Steve Gorman lost on a pin; 105 lb. Ken Sitzburger won on points 9-1; 110 lb. Tom Strilich lost on a pin; 115 lb. Rich Mansell lost on a pin; 120 lb. George White lost on points 11-3; 125 lb. Tom Goebig lost on points 10-0.

In exhibition matches Dale Slusarski won on a pin, Ken Mansell won on points 2-0; David Hendrickson lost on points 6-0; Dan Louis lost on points 4-2; Mickey Murray won on points 4-1; Tom Gorman won on points 4-2; Matt Beebe lost on points 12-0; Jim Sitzburger won on points 8-4 and Tom Strilich won on a pin.

New Lenox wrestlers defeat St. Mary, 58-18

NEW LENOX — The New Lenox grade school wrestlers lost to West Chicago, 37-19, but came back to defeat St. Mary of Mokena, 58-18, and Apollo Junior High of Des Plaines, 28-16.

In the West Chicago meet New Lenox was without the services of seven of its regular wrestlers but still won six of the 14 weight classes.

Winners for New Lenox included, Mark Criscione, 72 lbs.; John Jackson, 97 lbs.; Craig Huttenhoff, 92 lbs.; Jim Steen, 112 lbs.; Tom Taylor, 122 lbs. and Bill Tyner, 129 lbs.

Against St. Mary the Oakview crew had six wins on pins, Mark Jackson, 67 lbs.; Mark Criscione, 77 lbs.; Craig Huttenhoff, 92 lbs.; David Baers, 99 lbs.; Jim Steen,

114 lbs.; Steve Hunt 117 lbs. Other winners against St. Mary were David Jeffrey over Pat Geary at 72 lbs., 9 to 4; Lee Krohn over Jim Sitzberger, 82 lbs., 4 to 0; Chip Connor, 122 lbs., over George White, 12 to 3; Bill Tyner, 129 lbs. over Tom Golbig, 8 to 0.

In the victory over Apollo Jim Teen and Mike Mager, the latter wrestling at 134 pins pinned their opponents.

Rodney Baird, 62 lbs.; Mark Jackson, 67 lbs.; David Jeffrey 72 lbs.; John Jackson, 99 lbs. and Chip Connor, 120, all won by decision.

The Oakview squad will travel to West Chicago Friday to take part in a quadrangular meet. The other two schools will be Tinley Park and Morris.

Bowling news

Right down the alley

ORLAND PARK — The Carl Sandburg Bowling team fell from first place in the Suburban Conference last week with three losses to Richards High.

Oak Lawn which was tied with the Eagles last week for the top spot, also had a rough week losing two games, and now hold first by a game. None of the four Eagle bowlers rolled over a 500 series in Thursdays match at Palos Bowl.

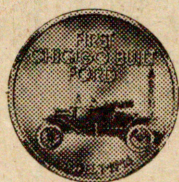

In the Carl Sandburg Bowling League the bowling was a little higher with five bowlers over 500. They were: Ron Armour, 551, Fred Nichols, Bob Bugel, Frank Graben, and Dave Keller whose series included a 203 game.

Carl Sandburg Senior Brad Colby led the Palos Lions Bowling League on Saturday with a 580 series, and a high game of 215. He was followed by Steve Haislet 550, Scott Davis 533, Jim McEathron 532, Dave Altepeter 508, Rich Little 504 and Frank Graben 503 to round out the 500 plus series. The Moonshine Cousins three game sweep from Ted's squad lifted them into a tie for the league lead with "Sex minus one." Sex Minus One won two games from "The Anythings." This Saturday Sex Minus one squares off with eighth place "You Name It," while the Moonshine Cousins face the third place Anythings.

Ad persons to assist with study

SOUTHWEST — A group of the country's leading advertising, agency and marketing executives has been formed to assist in suburban newspaper research projects, according to William H. Over, president of Paddock Crescent Newspapers.

Over is chairman of the Suburban Newspaper Research Center, newly formed research and development arm of Suburban Newspapers of America.

The advertising and marketing leaders have agreed to serve on the SNRC Advisory Committee to make recommendations for improved understanding and cooperation between the nation's suburban newspapers and national advertisers.

"This is the first time a national cross section of media and marketing executives and suburban publishers have joined to discuss mutual needs, goals and problems," Over said. "We consider this initial step a major communications breakthrough."

Serving on the advisory committee are David Arnold of Leo Burnett, Chicago; Jules Graf of Interstate Department Stores, New York; Fred W. Heckel of United Air Lines, Chicago; Constatine Kazanas of Young and Rubicam, New York; A. O. Knowlton of General Foods, White Plains, N.Y.; Dr. Seymour Marshak of Ford Motor Co., Detroit; James Marson of U.S. Suburban Press, Chicago; J.B. Searles of General Electric Co., Louisville; Harry Segal of Jewel Foods, Chicago, and Clinton Thompson of J.C. Penney Co., New York.

Officers and directors of SNRC are Over, chairman; Arthur P. Cook of Sun Newspapers, Birmingham, Ala., vice chairman; Bruce Helberg of the Bellevue, Wash., American, secretary-treasurer; Harold Townsend of Townsend Newspapers, North Kansas City, Mo.; Oran W. Asa of Northeast Los Angeles Publishing Co.; Russ Eastcott of Metro Mirror Publications Ltd., Don Mills, Ontario, and Louis A. Lerner, Lerner Home Newspapers, Chicago.

The biggest, brightest, color picture ever.
Award winning cabinetry.
A bargain price.
That's what we call a value.

MEDITERRANEAN OAK

3C-958 FR FRENCH PROVINCIAL

Here's why.
First off it's the biggest picture because you'll be seeing it on a 25" screen (diagonal measurement). And it's the brightest, clearest and sharpest color picture because of the new Tele-Brite® picture tube. You get color quality that is 100% brighter than ever before. And nobody can say they're brighter than that.

This color TV console has a beautiful cabinet. A cabinet that is built by old-world construction methods, and is finished by hand to a deep satin finish.

You get ICP, Instant Color Purity, and AFC, Automatic Frequency Control, a feature that locks in the best color picture on each channel.

You also get Instant Action with Vacation Switch. As soon as you flip the Instant Action switch the picture and sound come on immediately. This console is Remote Control Ready, an exclu-

sive Packard Bell feature that allows you to add your choice of remote control when you buy the set or later.

The price for all this is \$750.00 (Suggested retail.)

And when you add up all the features, the price really doesn't add up to very much.

That's why we consider this a value worth looking into.

CAREER OPPORTUNITY

IN REAL ESTATE SALES

Highly reputable, stable, growing and well established firm of Realtors which is a leader in home sales in large upper income, South West suburban area, has openings for two additional sales associates to join its staff of successful sales associates - no one of whom makes less than a five figure income annually. While real estate sales experience helps, successful sales experience in other fields is equally acceptable. We will also accept and train a capable person with a yen and aptitude for sales who has no previous sales experience. Two of our best producers had no sales or real estate experience before joining us. Age, sex and education are not a consideration. We're interested only in ability and drive. Our advertising program and floor time provide plenty of leads so that your earning potential is very high. Our people stay with us for years, as a rule.

Our traveling show-
room. Its a moving
experience.

For some folks, we may
not have had the most con-
venient showroom around.
Until now.

Now we've set up our mo-
bile showroom right here in
town.

And we've brought along
five new solutions to the trans-
portation problem.

"New?" you ask. "What's
so new about Volkswagens?"

Well, did you know that
over the years virtually every
part in the Beetle has been
CHANGED AND IMPROVED
UPON?

Or that our Squareback
and Fastback use the carbure-
tor of the future-a new
electronic fuel injection sys-
tem?

Or, speaking of advanced
systems, did you know VW
dealers now have an exclusive
electronic diagnosis system?
It stops trouble long before
trouble stops you.

Of course, that's not all
we have to show you that's
new. But why not bring the
family over and see for your-
self.

After all, you have every
reason to feel a lot closer
to us now than you have in
the past.

Will County dairymen honored at annual dinner

PEOTONE — Annual dinner meeting of the Will County Dairy Service, at which awards were presented to members, was held recently at the Will County Fairgrounds. The affair was attended by 90 dairymen and guests.

The following directors were elected:

Providence will register frosh Feb. 26

Providence High School, New Lenox, will hold registration for all incoming freshmen who have not yet registered at 8:30 a.m. Saturday (Feb. 26) at the high school.

The High School Placement Test will be administered at the time of registration.

A registration fee of \$10 will be required at the time of registration.

Additional information may be obtained by calling the high school during regular school days.

George Asbrand, Peotone; Kenneth Heisner, Beecher; LaVern Koehn, Peotone; Gilbert Lange, Beecher, and William Meyer and Jerome Peck, both of Peotone.

Award for the high herd went to Kenneth Heisner, it was announced by Fred VonAlven, Beecher, retiring president. The traveling trophy was presented by Lane Heatherwick, of the implement firm bearing his name.

The trophy for high cow was presented to Reynold Siemsen, Peotone, by Lewis Werner, of Country Companies at Peotone. Dairy Service of Will County presented a trophy for the high Owner-Sampler herd, owned by Asbrand Brothers, Peotone.

Supervisor Roger Stuenkel, Monee, reported that in testing 32 herds he found two cows making more than 800 pounds butterfat. One is owned by Roger Stoeven, Beecher, and the other by Batterman Brothers, Crete.

The supervisor Roy Elsey, Peotone, reported that the high cow in the 12 herds he tested is owned by Reynold Siemsen.

It was reported that Will County will have seven calves in the State Junior Calf sale at the U of I this Saturday, Feb. 26.
